**11.50-12.20 Discussion (items to be covered)**

What is the impact of adult learning in supporting the attainment challenge?  
How are community outcomes defined and measured in studies on raising attainment?

What is the impact of adult learning on children's progress?

To what extent do 'teaching professionals' understand the role of adult learning in improving children's learning outcomes?

To what extent do learning professionals (tutors and leaders) recognise learning to help raise attainment as part of their role and do they get support for it?

**Developing Collaborative Approaches**

*What needs to change to allow adult learning providers to support the raising attainment agenda?*

*Who needs to be involved?*

*Where are the gaps?*

**12.20-12.50 Prototyping Ideas**

**12.50-1.00 Timelines**

**1.00 Close**
