

# STRAIGHTEN Basic Skills: Seminar Evaluation Form

---

Thank you for taking part in our Work- Related Basic Skills: Lessons from the rest of Europe Seminar.

Learning and Work Institute (L&W) is a national charity that campaigns for all adults to have opportunities to learn and work throughout their lives. Since Autumn 2014, L&W have been working in a European partnership project – STRAIGHTEN Basic Skills - which aims to identify good practice and examine how it might be transferred to other European nations. This seminar was part of this project.

To help us evaluate the impact of this seminar, we would be very grateful if you could complete this short questionnaire. It should take 5-10 minutes.

The information you provide us will be used to write a report for STRAIGHTEN Basic Skills Intellectual Output 3. All responses will be reported anonymously. No personal information will be collected in this questionnaire.

Please return your completed form to the L&W representative.

If you would like more information about how the data collected in this questionnaire will be used, please contact Eleanor Penistone at [eleanor.penistone@learningandwork.org.uk](mailto:eleanor.penistone@learningandwork.org.uk)
